

Statement on Internet Purchasing

Drugasar Ltd respects and understands that the internet plays an enormous role in everyday life. However, we would like to draw your attention to the following points.

All DRU fires are designed to the highest possible standards. As a prestigious product range they should be installed by specially trained and approved engineers that have vast experience in working with these fires.

In order to attain the highest installation standards, Drugasar Ltd only distributes its fires and related products through an exclusive network of re
